PACK OF 10 CHRISTMAS CARDS
Two of each design, printed with message inside: "Wishing you a Merry Christmas".
GST, envelopes and P&P included.

\$19.95

Help us be there for every family that needs us by making these cards the ones you send this Christmas – thank you.

These charming cards have been created by children staying with us and come with a selection of beautiful blue envelopes kindly donated once again by Envelope World.

This year up to 77 families will be staying with us every night over Christmas, last year that added up to a massive 9,366 family members during the year, and sadly we will break that record in 2009! Thank you for supporting us with your Christmas card purchase.

I/We would like to help Ronald McDonald House Auckland shelter and support its families this Christmas
